1. AO = Administrative Order closed after compliance with the requirements of the order, CACO = Consent Agreement and Order requiring compliance

with environmental regulations and/or assessing a penalty, C.J. = Civil Judicial Case referred to the Department of Justice

2. F = Final

3. SEP = Supplemental Environmental Project

### **Narrative Summary:**

**3. C & E CONCRETE, INC.:** (NPDES Permit No. NMR00A375) EPA issued Administrative Order 98-0097 on October 17, 1997. The facility is a corporation operating a sand and gravel pit. The facility was inspected on February 27, 1997, by NMED and found to be operating with NPDES permit coverage. Administrative order 98-0097 was issued to prompt compliance with section 301 of the CWA and the terms and conditions of the permit.

**4. C & E CONCRETE, INC.:** (NPDES Permit No. NMR00A371) EPA issued Administrative Order Docket No. 98-0093 on October 17, 1997. The facility is operating a sand and gravel pit by the name Eagle Ready Mix in Gamerco, NM. The facility was inspected on February 27, 1997, by NMED and found to be operating without NPDES permit coverage for its storm water discharges. Administrative Order 98-0093 was issued to prompt compliance with Section 301 of CWA and the terms and conditions of the permit.

**7. DAVID BAEZA:** EPA issued Administrative Order Docket No. 97-0094 on October 7, 1997, for failure to obtain NPDES permit coverage for its industrial activities. This action is intended to prompt the Respondent to apply for permit coverage and to comply with the conditions of its permit.

**9. MORRIS CALKINS D/B/A - C & S AUTO SALVAGE:** EPA issued Administrative Order Docket No. 97-0102 on October 20, 1997. The facility is an auto salvage facility inspected by NMED on April 10, 1997, and found to be operating without NPDES permit coverage. Administrative Order 97-0102 was issued to prompt compliance with the CWA and the terms and conditions of the permit.

**11. RAYNA CORPORATION:** EPA issued Administrative Order Docket No. 97-0092 on October 20, 1997. This Corporation is operating a sand and gravel pit as Quality Ready Mix. The facility was inspected on April 16, 1997, and found to be operating without NPDES permit coverage. Administrative Order 98-0092 was issued to prompt compliance with CWA and the terms and conditions of the permit.

**12. RIO GRANDE MATERIALS, INC.:** EPA issued Administrative Order Docket No. 97-0101 on November 13, 1997. The facility is a concrete batch plant, and was inspected on April 10, 1997. The inspector found the facility to be operating without NPDES permit coverage. The Order was issued to prompt compliance with Section 301 of CWA and the terms and conditions of the permit.

**13. TOM & LONNY'S AUTO REPAIR & SALVAGE:** EPA issued Administrative Order Docket No. 97-0100 on October 16, 1997. The facility is an auto salvage facility that was inspected by NMED on April 10, 1997, and found to be operating without NPDES permit coverage. The Order was issued to prompt compliance with Section 301 of CWA and the terms and conditions of the permit.
